recommendations made by the Sub-Committee have been incorporated in the draft report of the main Committee which will be finalised shortly and thereafter submitted to the Planning Commission.

(f) Under the present incentive scheme, old uneconomic sugar factories below 1250 TCD expanding to 2500 TCD are eligible for full incentive as a new factory. Besides this, financial assistance is being provided from the Sugar Development Fund to meet the shortfall in promoter's equity for modernisation/expansion at concessional rate of interest. Financial assistance is also provided to sick units by the Central Financial Institutions on soft terms.

(g) During the Seventh Five Year Plan, letters of intent have been granted to the following six units in Karnataka for expansion and modernisation. The Government would also consider any other application for modernisation or expansion of the existing factories especially those below minimum economic size of 2500 TCD favourably, on techno-economic considerations and subject to adequate availability of cane.
